LIQUOR RULES GOVERNING ENFORCEMENT POLICY

These rules govern enforcement policy including operational procedures, meeting procedures, post adjudicative hearing procedures and administrative penalties, including fines, for the New Hampshire Liquor Commission. The former rules expired 07/01/2014. The rules have been updated to include the definitions for "Administrative notice of agency action", "Intoxicated individual", and "Notice and record of verbal instruction". The language of the former rules has been modernized to correct grammar where necessary, to replace the word "bureau" with "division" when referring to the Division of Enforcement and Licensing, and to allow for electronic mail and electronic transmission of documents.

Deadline to submit materials in writing or electronic format is November 3, 2016 at 4:00pm.
